TESTIMONIALS

The postgraduate training program
by the world's largest anti-aging organization
Over 100 hours of hands-on & online studies

Dr Zenus Saleh, Dermatologist, Saudi Arabia

“I found many answers to many questions I had in my practice. Everybody is very supportive and provides us with a very good teaching environment”

Dr Ayman Aouad, GP, Australia

“I was very impressed with the extensive knowledge imparted to us by the online lectures and the attention to detail in the hands-on training”

Dr Sabreena Al Zamil, Plastic Surgeon, Kuwait

“An extremely well structured, organised and recognized program which is in my opinion the best one I have ever attended”
