THE AMERICAN ACADEMY OF ANTI-AGING MEDICINE IS ON TOUR IN DUBAI

THE AMERICAN ANTI-AGING SYMPOSIUM

NOVEMBER 10-11, 2012

ALTERNATIVE, INNOVATIVE & FORWARD-THINKING!

Special 2.5hr Session: “How to get started in anti-aging medicine”

- An A to Z guide on:
- The resources needed for your anti-aging practice
 - The pitfalls and concerns facing the new anti-aging physician
 - Compounded medication

Your chance to ask the expert and take in as much practical advice as possible!

Special Guest Speaker:

Dr. Joseph Lamb MD, USA

CARDIOMETABOLIC CONCERNS & OXIDATIVE STRESS

Dr. Lamb will explore the multifactorial condition of the cardiovascular dysfunction and the effect of oxidative stress. A practical and eye opening lecture addressing one of the most notable health concerns nowadays.

A 2-DAY EDUCATIONAL JOURNEY FROM CONVENTIONAL MEDICINE TO THE FUTURE OF MEDICINE

Prevention, diagnosis and treatment of age-related conditions

Dr. Jack Monaco **MD, USA**

EFFECTIVE HORMONE BALANCE RESTORATION FOR MEN AND WOMEN

Dr. Monaco's clinical expertise in restoring hormone balance will translate in highly detailed and practical tutorials supported by case studies to help you understand the principles of hormonal balance. Learn "how" to start prescribing, dosing and measuring bio-identical hormones.

Dr. Pamela Smith **MD, USA**

PERSONALISED AND EFFECTIVE WEIGHT MANAGEMENT PROGRAMS

Dr Smith will deliver a comprehensive session on weight management discussing the reasons why most physicians fail to deliver effective management programs and reviewing the role that hormones, sleep, neurotransmitters and detoxification play in tailoring a suitable program for each patient.

Dr. Mark Rosenberg **MD, USA**

ALTERNATIVE CANCER TREATMENTS & TELOMERES & AGING

Dr. Rosenberg's alternative methods such as low dose metronomic chemotherapy and telomere testing will enlighten you with cutting-edge and evidence based protocols to treat cancer and prevent age-related diseases.
