The American Academy of Anti-Aging Medicine showcases abstracts submitted on anti-aging, regenerative and aesthetic medicine from healthcare practitioners in the United States and around the world. Abstracts are published in the conference guide.

The A4M Scientific Educational Program Committee reviews all abstracts submitted for presentation at plenary and parallel sessions. Selection criteria are based on merit and on integration of specialist medical streams that provide optimum outcomes for patients.

Benefits of Presenting

- Speaking at the Congress is an excellent opportunity to share exciting and cutting edge work with peers and help to advance integrative evidence-based medicine.
- Establish yourself as a leader
- Showcase your research and technologies
- Build the knowledge of peers

All abstracts must be based on:

- Best-practice, evidence-based medicine
- The latest trends, procedures and technologies in anti-aging, regenerative and aesthetic medicine

Who should present/ submit an Abstract?

- Medical Professionals
- General Practitioners
- Integrative Medicine Practitioners
- Orthopedic Physicians
- Aesthetic Surgeons
- Chiropractors
- Nurse Practitioners
- Pharmacists
- Sports Clinicians
- Cosmetic Surgeons/Physicians
- Cardiologists
- OBGYN's
- Naturopaths
- Nutritionists

| • Speaker Notification | 02/16/15 | 07/06/15 |

Checklist

1) Abstract, to include the following:

- Submit an abstract in a WORD document
- 3-5 learner objectives
- Brief outline/agenda of the specific points to be covered during the program
- Why this program should be added to the schedule
- Brief program description to promote the program in marketing materials

Please keep in mind the World Congress is a Continuing Medical Education Event where *AMA PRA Category I* Credit will be issued. The content or format of a CME activity or its related materials must promote improvement or quality in healthcare and not a specific proprietary business interest of a commercial interest. All presentations must give a balanced view of therapeutic options. Use of generic names will contribute to this impartiality. Your presentation cannot contain any advertising, trade name or a product-group message.

2) Main Author/Speaker Biography

A document describing the presenting author's experience, qualifications, clinical and/or research pursuits. (50 words max.)

3) Digital Photo

Supply in a JPEG or TIFF format, a high-resolution color headshot of the main author/presenter (minimum 300 dpi) Attach to the submission email.

4) Completed disclosure statement

ALL authors listed on the abstract are required to complete a financial disclosure statement for the abstract submission, either disclosing all financial relationships and commercial interests of each author or indicating that none exists.

5) Email submissions to amy.paoletti@A4M.com
