

GROW YOUR HRT PRACTICE WITH A HORMONE MARKETING KIT BY MEDQUEST PHARMACY

20 Healthy Aging Brochures:

An easy to understand and comprehensive reference about the aging process and hormone replacement therapy (HRT). Find helpful information about the most commonly prescribed hormones, discover answers to frequently asked questions and learn the basic science behind the use of HRT to achieve healthy aging.

20 MedQuest Pharmacy Contact Cards:

All of the important information you and your patients need for ordering customized HRT preparations. Easily locate our phone number, website, hours of operation and shipping details on these handy MedQuest Pharmacy contact cards.

Nutrascriptives Supplements at Wholesale Pricing:

Enjoy special introductory pricing on a one-time order of any bottle(s) of our clinical grade supplements at wholesale savings. No minimum order required for this offer.

Hormone Education Video Presentation for Office Use:

A continuous video animated and full of valuable and captivating educational HRT content to display in your office or share with patients. Delivered as a PowerPoint presentation. Final slide can be edited with providers information.

1 Free Copy of *How to Achieve Healthy Aging*, by Neal Rouzier:

Get even more information and fascinating insights about Hormones and HRT from Dr. Rouzier in his popular book, *How to Achieve Healthy Aging*.
