

# CERTIFICATION

IN ADVANCED INJECTABLES

**Dubai  
UAE**

**THE ESSENTIAL BOTULINUM TOXIN &  
DERMAL FILLERS TRAINING COURSE**

**56hrs**  
OF TRAINING

Held at:

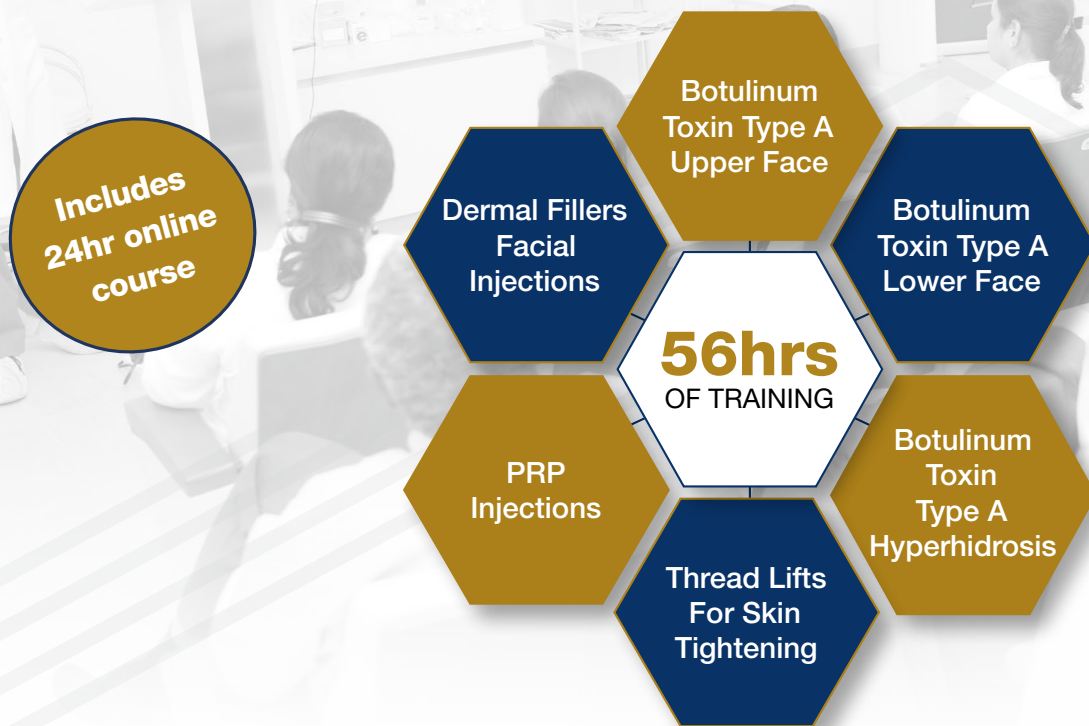

Institute of Medical Aesthetics

The American Academy of Anti-Aging Medicine Dubai

# SET YOURSELF APART FROM NON-QUALIFIED INJECTORS

The most popular facial injectable procedures in one course

This course is suitable for MDs, MBBS and DDS holders with no previous experience or training in the field of aesthetic medicine. Course curriculum will expand upon the safety basics of aesthetic injections all the way to advanced tips and tricks to achieve flawless rejuvenation and contouring.

Injection techniques will be demonstrated with use of cannulas and detailed tutorials on safety techniques to avoid complications such as vascular occlusions.

## Who is the certification for?

- **Dermatologists**
- **Plastic Surgeons**
