PRACTICALITIES OF ANTI-AGING MEDICINE

PRESENTED BY: DR. DEBORAH MATTHEW
MD, ABAARM, FAARM, OFFICIAL ABAARM EXAMINER

This workshop has been specially designed for ABAARM Examinees and for physicians interested in becoming Board Certified. The workshop is presented by the A4M Official Board Examiner and will feature:

- Case study discussions to prepare participants for Part 2 exam and to increase their clinical skills in diagnosing and treating patients
- Tutorials and advice on how to implement anti-aging medicine in your practice
- Expert discussions on the topic of Bio-Identical Hormone Replacement Therapy

Do you know a friend or colleague interested in anti-aging medicine and A4M Board Certification? Bring them for free to help them discover and understand this specialty.

ENROLLMENT METHOD & CONDITIONS:

- Contact your A4M Advisor to schedule your exams and conference participation and take advantage of this offer
- Payment must be made upfront and is accepted by credit card or bank transfer
- Offer is only available to new participants and cannot be substituted
- Exam dates and conference registration may be amended proving a 90 day notice is respected
