

REDEFINING MEDICINE®

A4M Thailand Symposium | September 7th-8th 2019 | Bangkok Thailand

September 7th | Location: The Crystal Box Room | General Session: Revolution in Regenerative Medicine

8:00 am – 8:30 am	Opening Ceremony	Robert Goldman, MD, PhD & Prof. Dato Sri Dr. Mike Chan
8:30 am – 9:10 am	Stem Cells As The Main Stratagem of Biological Regenerative Medicine	Dr. Dmitry Klokol
9:10 am- -9:40 am	Age Reversal by Gene Therapy	Dr. Watson
9:40am-10:15am	Safety:What Every Physician Should Know About Stem Cells, Cells Extracts, Peptides:Exosomes-How To Tell The Differences, The Overstatment And Their Potencies:Which Work Better, Which Don't, and why?	Prof. Dato Sri Dr. Mike Chan
10:15am-10:45am	Coffee Break	

Session 1: Regenerative Medicine | Evolution in Anti-Aging Medicine | Location: The Crystal Box Room

10:45am-11:20am	The Evolution Of Anti-Aging Regenerative Medicine & Longevity Field	Robert Goldman, MD, PhD
11:20am – 11:55am	New Anti-Aging paradigms Peptides In Holistic Medicine For Healthy & Beautiful Life	Dr. Thom E. Lobe
11:55am-12:30pm	Inflammation and Aging (Inflammaging Revolution)	Dr. Graham Simpson
12:30pm-14:00pm	Buffet Lunch	

Session 1: Aesthetic Medicine | Face Lifting and Rejuvenation | Location: The Lawn Room

10:45am-11:20am	Non invasive face lift: lifting and rejuvenation	Dr. Tin Hau Wong Sky
11:20am – 11:55am	Creation of natural face and Fengshui facial reading with aesthetic prospects	Dr. Ornkes Panyanetnad
11:55am-12:30pm	Advanced injectables for total regeneration with stem cell cultured media	Dr. Andralia Kartolo
12:30pm-14:00pm	Buffet Lunch	

Session 2 Regenerative Medicine | Clinical Nutrition and Metabolism | Location: The Crystal Box Room

14:00pm-14:35pm	Noble use of peptides in the treatments of diabetes	Dr. Andrew Lazootin
14:35pm-15:10pm	SPG Function and Treatment for Diabetic Retinopathy & NAD: Fact or Fiction?	Dr. Leonid Macheret
15:10pm-15:45pm	Exercise for Obesity by Optimizing Metabolic and Hormonal System	Dr. Tanjung Subrata
15:45pm-16:15pm		Coffee Break

Session 2 Aesthetic Medicine | Update in Energy Based Devices | Location: The Lawn Room

14:00pm-14:35pm	Zero Cost Marketing To Gain Billions In Health & Aesthetic Business	Dr. Khong Kwan
14:35pm-15:10pm	Melasma: new ideas in pathology and update treatments	Dr. Tin Hau Wong Sky
15:10pm-15:45pm	Update in Radio Frequency Vs CO2 Laser	Dr. Jason Wong
15:45pm-16:15pm		Coffee Break

Session 3 Regenerative Medicine | Hormone Optimization and Stress Management | Location: The Crystal Box Room

16:15pm-16:45pm	Hidden Root of Practical Cell Therapy	Dr. Brancha
16:45pm-17:15pm	Biohormonal Revitalization Therapy For Premature Menopause & Andropause Treatment From The Perspective Of Biological Regenerative Medicine	Dr. Simon Yefimov
17:15-17:45pm	Health, Sex and Longevity	Dr. Andrew Lazootin
17:45pm-18:15pm	Exercise for optimizing testosterone	Dr. Tanjung Subrata
18:15pm-18:45pm	Stress Resilience In Clinical Practice & Health Outcomes	Dr. Sivaneswaran Poobalasingam
18:45pm-19:00	Discussion	Panel

WELCOME RECEPTION

Session 3 Aesthetic Medicine | Regenerative Aesthetic | Location: The Lawn Room

16:15pm-16:55pm	Biological Age Reversal using Autologous Stem Cells (VSELS) (Mind, Body and holistic beauty)	Dr. Kaushik Deb
16:55pm-17:35pm	Application of Stem Cell Extracts Of Skin, Mesenchyme Placenta, Collagen, Elastin & Cell Extracts Combinations With Hyaluronic Acid In Aesthetic Dermatology & Skin Rejuvenation	Dr. Vladymyr Chernykh
17:35pm-18:15pm	Stem cell therapy in dermatology: Blistering diseases, skin cancer and chronic wound healing	Dr. G. K. Glen Alvin
18:15pm-18:30	Discussion	Panel
WELCOME RECEPTION		

Day Two - September 8th**Session 4 Regenerative Medicine | Diet and Exercise | Location: The Crystal Box Room**

8:30 am – 9:05am	Navigating the Labyrinth of Dietary Restriction Methods	Mr. Brian M. Delaney
9:05-9:40am	Muscle as medicine for improving longevity	Dr. Thom E Lobe
9:40am-10:15am	Fasting and longevity, weight loss and performance	Dr. Graham Simpson
10:15am-10:45am	Coffee Break	

Session 4 Aesthetic Medicine | Symmetry in Aesthetic Medicine | Location: The Lawn Room

8:30 am – 9:05am	Conceptual facial design in facial contouring using HA filler	Dr. Akaluck Thammasunthorn
9:05-9:40am	MUST KNOW - FACIAL DANGER ZONE for all aesthetic injectable procedures	Dr Lenzo Ling
9:40am-10:15am	Essential Point for Non-Surgical forehead Augmentation: Boom or Blind	Dr. Ornkes Panyanetnad
10:15am-10:45am	Coffee Break	

Session 5: Regenerative Medicine | Update in Anti-Aging Medicine (Cellular Regeneration) | Location: The Crystal Box Room

10:45am-11:20am	Senescence and Age reversal by senolytics	Dr Watson
11:20am – 11:55am	Role of Biological Regenerative Medicine in treatment of age-related immunosenescence	Dr. Dmitry Klokol
11:55am-12:30pm	Evolution Strategies in Regenerative Medicine	Dr Soipetch
12:30pm-14:00pm	Buffet Lunch	

Session 5: Aesthetic Medicine | Essential Pearls in Aesthetic Medicine | Location: The Lawn Room

10:45am-11:20am	Point of care PRFM and Merisis (TM) Hair Papillary Cell Transplants as an alternative to standard P-PRP or L-PRP treatments in androgenic alopecia	Dr. Kaushik Deb
11:20am – 11:55am	Skin micrografts in treatment of androgenic alopecia	Dr Jason Wong
11:55am-12:30pm	Stem Cell Peptide For Hair Growth	Dr Vladymyr Chernykh
12:30pm-14:00pm	Buffet Lunch	

Session 6 Regenerative Medicine | Brain Restoration and Anti-Aging | Location: The Crystal Box Room

14:00pm-14:35pm	Treating neuroinflammation to improve functional outcomes in Neuro-Cognitive disorders in children and adults	Dr. Thom E Lobe
14:35pm-15:10pm	Progenitor/Precursor Stem Cell Therapy In Biological Regenerative Medicine As The New Strategy Of The Treatment Of The Brain Development & Neurodegenerative Diseases.	Dr. Yuriy Nalapko
15:10pm-15:45pm	Overview of ileocecal valve function for quality of life and effect of antiaging substances	Dr Leonid Macheret
15:45pm-16:15pm	Coffee Break	

Session 6: Aesthetic Medicine | Essential Pearls In Aesthetic Medicine Part 2 | Location: The Lawn Room

14:00pm-14:35pm	Cell Therapy in Inflammatory Skin Diseases	Dr. G. K. Glen Alvin
14:35pm-15:10pm	Periorbital Area Rejuvenation- NO MORE TIRED EYES	Dr. Lenzo Ling
15:10pm – 15:45pm	HA Filler Complication: How To Avoid and Manage	Dr. Akaluck Thammasunthorn
15:45pm-16:15pm	Coffee Break	

Session 7: Regenerative Medicine | Essential Pearls in Anti-Aging and Regenerative Medicine |

Location: The Crystal Box Room

16:15pm-16:55pm	Can Human Reverse Aging: Overview of age reversal interventions	Dr. Guna Sittampalam
16:55pm-17:20pm	Overview of cutting-edge age management treatments being offered around the world	Mr. Brian M. Delaney
17:20pm-17:50pm	Basic In CBD Science & Usage (EG Endocannabinoid Receptors & Role of Phytonutrients)	Ms. Heather Bird
17:50pm-18:20pm	CBD In Pain Management	Dr. Pongsatorn Meesawatsom
18:20pm-19:00pm	Age reversal by mTOR inhibitors Reversal of immune aging (TRIM Trial Result)	Dr Watson
18:45pm-19:00pm	Discussion	

ABAARM Written Exam | Location: The Lawn Room | 16:00pm-19:00pm

Workshop 1 | Oaks Room 1

16:00pm-17:00pm	Cell Therapy & Regenerative Medicine 2030	Dr Khong Kwan-Kate
-----------------	---	--------------------

Workshop 2 | Oaks Room 1

17:00pm-18:00pm	Workshop in Regenerative Medicine	Dr Vladymyr Chernykh
-----------------	-----------------------------------	----------------------
