HOW CAN ADVERTISING HELP MY BUSINESS?

- **Anti-Aging Medical News** is the show guide distributed to every attendee at our Annual Congress. Advertising in the magazine will get your company name, image, product, booth number, and contact information out to thousands of potential clients, generating increased face time at the event itself.
- **Product Directory Listing on A4M.com** allows interested clients to search the product directory on A4m.com for Anti-Aging products and services by category and specialty. If your product fits their selection, your company information and contact info will appear.
- **One page literature insert in physician's bag** is another form of advertising that enables conference attendees to see your company information.
- **The Lead Retrieval System** allows your company to scan the badges of conference attendees, generating their contact information into the system. Everything you gather from the lead retrieval system represents potential incoming business.
- **Notebook Sponsorship, Hand Sanitizer Sponsorship, Lanyard Sponsorship, and Pen Sponsorship** are ways to advertise your company name and logo on products that conference attendees use.
- **Exhibit Hall Entrance Logo Rug will broadcast your company information.** Be the first thing attendees see when walking into an exhibit hall with hundreds of booths.
- **The Sponsored Prize** is the most sought after, highly anticipated display in the Exhibit Hall. Be responsible for the ultimate grand prize.
